

# Back to School Brigade 2012

This summer, Operation Homefront of Arizona will host our Back-to-School Brigade program in Phoenix, Tucson, and Yuma. We are honored to be able to provide school supplies to our military families and help in any way we can. These are supplies schools do not provide, such as backpacks, pencil cases, pencils, pens, folders, binders and more.

*We hope that this program brings lots of smiles to military children and relief to military moms and dads as they prepare their children for a new school year.*
